Casa Le Cigne A few kilometers from the medieval town of Panicale, a detached house of about 220 square meters on two levels. On a private hillside about 3km from the village of Panicale, this home offers way more than at first meets the eye. It enjoys over a hectare of beautiful land with vineyard, olive grove, woods—and magnificent views. The house currently is divided in to two bright apartments, one on each floor, connected by a stair hall.
