INTRECCI DI COLORE - finely renovated apartment In the medieval village of Panicale, one of the most beautiful villages in Italy, a few steps from the main square, a lovely apartment on two levels. The apartment, which was originally a storage room, has undergone an excellent total renovation work with a change of intended use, giving it the layout of a modern apartment. You enter directly from the alley to find yourself in a large room with high ceilings. The kitchen area is divided from the living area by an imposing arch, beyond the kitchen we find the bathroom.
