Casa Pevole In the locality of Le Pevole, just a few minutes from all main services and set in a hilly and panoramic area, we offer for sale a large detached house with private garden of approximately 680 sqm. The property is ideal both as a single-family home or for the creation of at least three independent apartments. Spread over multiple levels, the house features generous interior spaces, a well-organized layout, and multiple independent entrances, making it perfectly suited for conversion into separate living units.
