Il Priore Nestled within the ancient perimeter walls of a historic hilltop castle, this charming detached cottage represents an extraordinary and highly unique real estate opportunity. The property boasts spectacular, unobstructed 360-degree panoramic views that stretch across the waters of Lake Trasimeno to the city of Perugia. The historic castle complex—meticulously and fully renovated in the 1990s comprises a grand main building, an ancient 12th-century watchtower, and two independent guesthouses, all securely enclosed by a partially intact medieval perimeter wall that preserves its timeless heritage.
