Le Caselle Conveniently located just a few kilometres from local amenities, this charming stone house with garden, is arranged over three levels. You access the property through a little wooden gate into an inviting little courtyard with trees and flowers. An external staircase leads to a loggia and from here, the front door opens directly into a cosy living room with a fireplace. A staircase leads to the ground floor into a spacious kitchen. French windows open from the kitchen onto the rear garden, perfectly suited for al fresco dining.
