Casa Eurosia In the hamlet of Missiano about 3 km from Panicale and 2 from Tavernelle you will find this terraced house on three floors. Ground Floor: a garage First Floor: a large living room and a kitchen Second Floor: two bedrooms and a bathroom The attic is also accessible. The house is immediately liveable with very little work, but it could be transformed into a really nice property if you wanted. An olive grove comes with the property where there is also an annex.
